

**You can now order your repeat prescription from
Old School Medical Centre via the internet at:**

www.sheffieldprescriptions.nhs.uk

It's as easy as 1,2,3:

1. Register your details at www.sheffieldprescriptions.nhs.uk

You will be asked to choose a username and password

2. Fill in the medications you regularly order

You will only have to do this once. The site will remember them for your future use.

3. Order your prescription

You will receive an email telling you to when to pick up your prescription.
You can also track your prescription's progress using the website.

Why should I order my prescriptions online?

• **It's secure.**

All your information is encrypted to keep it from prying eyes.
You will have a username and password to access your information.
No one can access your details without this information.

• **You can order your prescription at any time day or night.**

The website will be available 24 hours a day 7 days a week.

• **You can order from any computer with internet access at home,
work or even while on holiday!**

All you require is a username and password.

• **You can use the site to keep track of your repeat prescription
history.**

The website records all your prescription requests so that you can check what medicines you
have ordered in the past.

• **Automatic confirmation that your prescription has been
received or processed.**

Checking your prescription history will show when your request was made and when it was
viewed by the practice staff.
